

CCOC 9th Annual Custom & Classic Car Show

The Best of the Best

The 8th Annual Custom & Classic Car Show held in May 2011 was highly successful! We expect that 2012's show will exceed our expectations to be held on May 11 from 5 to 8:30 p.m. Your donation will directly fund CCOC's *SkillsUSA Club*. The car show grown steadily in size and attendance over the years. In 2008, the car show featured close to 150 cars and in 2011, 291 cars were showcased. This year CCOC hopes to top over 300 vehicles in the annual fundraiser! Last year, CCOC sold over 900 meals prepared by CCOC's Culinary Arts and Baking & Catering students.

According to CCOC Auto Body instructor and event organizer, Robert McTaggart, more than 1,000 spectators attended the event and voted on what their favorites were in eight categories: best car, best motorcycle, best bike, best car under construction, best truck, best club participation, best engine, and the best paint job in the show.

More than \$5,800 profit was made, all of which goes to support CCOC's successful *SkillsUSA Club*. Countless volunteers, students and staff from CCOC classes, the community, and the MetroED Foundation set up and attended the event. The car show fundraiser allowed students to showcase their own cars that they had worked on while attending CCOC.

Students and staff from other CCOC programs set-up display tables on their classes as well as assisted CCOC's Culinary Arts & Baking and Catering Students with the cooking and feeding of those in attendance.

Several videos from CCOC's car show are available on YouTube.

The May 2012 car show is just around the corner and sponsors are needed to make the event even more successful this year. **Tax-deductible** donations may be made through the MetroED Foundation which is a *501 (c)(3) non-profit organization* (tax ID number is 77-0320022).
